

Centre For Fathering (CFF) was founded on the belief that an active and involved father is essential for a child's successful development.

For more than 10 years, CFF has helped countless families and fathers in particular through our father-child experiential programmes and fathering workshops conducted in schools, prisons, religious organisations and companies. We organise two nation-wide events every year – 'Eat With Your Family Day' and 'Back To School With Dad', to remind and encourage fathers to set aside time to be with their families and to help create a culture that promotes involved fathering.

CFF is not a funded organisation and we rely on donations to continue our efforts in inspiring, equipping and supporting men in their role as fathers. Your contributions will enrich generations to come. Thank you for your support!

As our Centre is an approved IPC, all donations are eligible for tax deduction.
